## Our Mission

To provide a holistic education that combines academic rigor with practical skills, preparing students for successful careers and responsible citizenship. We are dedicated to:

1. **Academic Excellence:** Offering a diverse and comprehensive curriculum that encourages interdisciplinary learning and critical thinking.
2. **Innovation and Entrepreneurship:** Strengthening our incubation cell to support students and faculty in transforming innovative ideas into successful startups, fostering a culture of entrepreneurship, and contributing to local economic growth.
3. **Research and Development:** Promoting advanced research activities across various disciplines to contribute to the global body of knowledge, address real-world challenges, and support local development initiatives.
4. **Career Development:** Enhancing our placement services to build strong industry connections, ensuring our graduates are well-prepared for the job market and equipped to excel in their chosen fields.
5. **Autonomy and Growth:** Striving towards autonomous status to provide greater academic freedom, enabling us to tailor our programs and initiatives to meet the evolving needs of our students and society.
6. **Local Development:** Actively participating in and supporting local development projects to improve the quality of life in Bijainagar and surrounding areas, promoting sustainable development, and fostering a sense of community responsibility among our students.
7. **Moral Values and Character Building:** Instilling moral values and character building through the teachings of Indian and Jain values such as Satya (truth), Ahimsa (non-violence), Achourah (non-stealing), Brahmacharya (celibacy), Aparigraha (non-possession), as well as Gyan (knowledge), Darshan (perception), and Charitra (conduct). We emphasize Indian values, ancient ethos, environmental protection, compassion, non-violence, humanity, and world peace.

Through these efforts, Shri Pragma Mahavidyalaya, Bijainagar, is committed to empowering our students with the knowledge, skills, and opportunities needed to succeed and make a positive impact locally and globally.

## Our Vision

To become a beacon of academic excellence and innovation, nurturing future leaders and thinkers. We aim to be an autonomous institution renowned for our cutting-edge research, robust incubation cell, dynamic placement initiatives, and significant contributions to local development, fostering an environment where students thrive and contribute meaningfully to society.

## ACADEMIA

### I. Teaching Methodology

1. The college aims to provide quality education to the students through career counselling, personality development, spoken English programs make them able to compete in the job market.

2. Before beginning of the program the students are given the opportunity to familiarize themselves with the subject by giving a brief idea about various topics of the syllabus.

3. If the students do not have a basic concept about the topic then the teacher first teaches them the basics and then starts teaching the topic assigned. Slow learners are allowed to resolve their difficulties with faculty members after the class. Faculty members also provide notes to needy students.

4. Interactive teaching methods (use of internet, projector, PowerPoint presentation etc.) by the faculties help the students in better understanding of the topic.

students are encouraged to participate in competitions like quiz, debates, elocution etc. at various levels.

5. Teachers of each department are entrusted to collect and analyse the data on the academic performance of students.

Each faculty provides special care to students.

6. Classroom evaluation is periodically done by the faculty members.

7. Faculty members organised departmental seminars and workshops with active involvement of students.

Ph. : 091-1462-230101, 9587888125, 126

## II. Group discussion

We give high prominence to group discussion as our academic activity. In group discussion the participants face each other almost in a semicircle and express their views on the given topic issue problem in front of our experts and assess the team.

Group discussion is a cooperative group process.

It improves students' thinking, listening and speaking skills and team spirit.

It encourages students to be abreast with current events, international and national affairs, burning social and economic topics, scientific and why mental and other important issues.

## III. Remedial classes

Each student is different in terms of academic performance. Absence in class due to on avoidable reasons may also create a problem for students in catching up with the ongoing lecture. such problems are addressed at our college with scheduling of remedial classes. Your faculty solve subject related queries of students at individual level.

## IV. Internal assessment

Along with covering the syllabus on time, college emphasizes regular assessment of students. Due to the regular schedule of assessment, students pay more attention in the class and keep themselves ungauged in study throughout the year. This results in better preparation of exams and reduces the burden. Given methodology is followed for internal assessment-

1. To Introduce university exam pattern teachers discuss previous years exam question papers and other important questions along with their answers in class.

2. We conduct subject wise weekly tests, midterm exams and pre university exams. We also take more coir internal practical tests to make students completely ready and confident enough for final exams.

3. we conduct parent teacher meetings on a regular basis to share the attendance status and assessment results of students with their parents. Viewpoint behind this PTM is to nurture and direct youngsters towards the path of values and success with the balanced guidance of parents and teachers in the supportive environment.

## V. Competition Classes

Driving with the philosophy that every individual is born to succeed, competition classes have been a point in providing quality education and guidance for students to crack all sorts of competitive exams.

Our specially designed content covering subjects like English grammar, history, geography, maths reasoning etc. prepare both English and Hindi medium students to get success in high and exams like SSC railways banking.

## VI. Online classes

Keeping pace with ever changing education format Shri Pragya PG college offers online classes facility to students covering all subjects of their courses. Our most experienced and learned faculty members handle the reins of this newest and completely virtual form of teaching. We firmly believe that challenges like COVID-19 cannot bridle young scholars' learning zeal. Hands on with real time online classes as well as lectures available on websites, we keep on edifying students. Online classes help students to study conveniently according to their own learning tempo.

## VII. Webinars, conferences and seminars

To accept the students of current generation with new age research and development technologies and make them expert according to the industry demand Shri Pragya PG college ensures regular national webinars, seminars, conferences and workshops on various subjects. Webinars, conferences and seminars provide the latest information about the things which are happening in the student's field of interest. University professors, corporate professionals, entrepreneurs and intellects from around the country interact with our students and encourage their innovative perspective towards the subject.

## VIII. Guest lectures

Shri Pragya PG college emphasises on making students academically brilliant and trendsetter team players. We prepare them for the real life corporate world. Following this idea we invite many intellectuals like software professionals, HR executives, bankers, musicians, motivational speakers, professors who provide valuable information to students and help them spruce up their act.

## COURSES OF STUDY

### POST GRADUATE COURSES - Course duration (Two Years)

Master Of Commerce (M. Com.)

M.Com. (ABST)

M.Com. (B. Adm.)

M.Com. (EAFM)

MASTER OF SCIENCE (M. Sc.)

M.Sc. Chemistry

M.Sc. Physics

### UNDERGRADUATE COURSES- Course duration (Three Years)

Bachelor Of Business Administration (B.B.A)

Bachelor of Commerce (B.Com.)

Bachelor of Computer Application (B.C.A)

Bachelor of Arts (B.A.)

Bachelor of Science (B.Sc. Biology)

Bachelor of Science (B.Sc. Mathematics)

New program which is likely to Start from the Session 2021-22

MASTER OF Arts (M. A.)

M.A. Geography

## CURRICULUM

### **M.Com. – Previous ABST**

(Four Paper- All Compulsory)

- Paper I - Management Accounting and Financial Control,  
Paper II - Research Methodology and Statistical Techniques.  
Paper III - Higher Accounting.  
Paper IV - Security Analysis & Portfolio Management.

### **M.Com. – Final**

(Five Papers - Two Compulsory and any Three Optional Papers)

- Paper V - Direct & Indirect Taxes.  
Paper VI - Advanced Costing problems.

### **Optional Papers (Any Three)**

- Paper VII - Management and Operational Audit.  
Paper VIII - Accounting Theory  
Paper IX - Operational Research & Quantitative techniques.  
Paper X - Taxation & Tax Planning.  
Paper XI - Project Planning Appraisal and Control.  
Paper XII - Dissertation (Subject to the Approval of the topic of Survey Work and a candidate being adjudged suitable for undertaking such work).

### **M.Com. Previous EAFM (Four Papers-All compulsory)**

- Paper I - Business Economics  
Paper II - Financial Management  
Paper III - Monetary Economics  
Paper IV - Indian Financial System

**Director**

Shri Pragya Mahavidyalaya

## **M.Com Final (Five Papers- Two compulsory and any three papers of any on group given under)**

Compulsory Paper

Paper V - Management and Management Accountancy

Paper VI - Economic Growth and Development

Optional Papers: (Any three papers of any one group)

Group A- Economic Administration

Paper VII - International Trade

Paper VIII - Industrial Economics

Paper IX - International Business Environment

Paper X - Quantitative Techniques for Decision Making

Paper XI - Dissertation (Subject to the approval of the topic of survey work and a candidate being adjudged suitable for undertaking such work.

Group B - Financial Management

Paper VII - Bank Management

Paper VIII - Development Banking,

Paper IX - Public Finance

Paper X - Quantitative Techniques for Decision Making

Paper XI - Dissertation (Subject to the approval of the topic of survey work and a candidate being adjudged suitable for under taking such work.

## **M.COM. - PREVIOUS BUSINESS ADM(FOUR PAPERS- ALL COMPULSORY)**

Paper I - Theory and Practice of Management

Paper II - Human Resources management

Paper III - Marketing Management

Paper IV - Business Environment

## **M.COM. FINAL: FIVE PAPERS -**

ONE COMPULSORY & FOUR OPTIONALS OF ANY TWO GROUPS GIVEN AS UNDER

Compulsory Paper: one

Paper V - Strategic Management

Optional Papers - Any two groups of two papers each as given under:

Group - A: Institutional Management

Paper I - Management of Small Scale Industries,

Paper II - Development of Business Entrepreneurship

Group - B: Human Area.

Paper I - Human Behaviour

Paper II - Industrial Relational and social Security in India.

Group - C: Marketing Area

Paper I - Sales and Advertising Management

Paper II - Consumer Behaviour

Group - D: Finance Area

Paper I - Principles of Financial Management

Paper II - Financial Management and control

Group - E: Production and materials Management

Paper I - Production Management

Paper II - Materials Management

## M.Sc. Chemistry

Chemistry is a vast subject and covers all the aspects of life with various scientific branches such as Organic, Inorganic, Physical, Analytical, Green Chemistry, Biochemistry etc. A candidate with M.Sc. in Chemistry has scope as a Research Assistant, Food and Drug Inspector, Chemical Analyst, Junior Research Fellow, Junior Chemist, Biochemist, Agriculture Research Officer, Junior Scientist Officer etc. Chemistry offers challenging, exciting and productive careers.

### WHAT IS THE ELIGIBILITY CRITERIA?

A minimum of 50% marks under graduation are required for applying in M.Sc.

## CURRICULUM

### Semester I

- Paper I Inorganic Chemistry
- Paper II Reaction Mechanism I
- Paper III Physical Chemistry I
- Paper IV Computer and Diffraction Method
- Paper v Practical

### Semester II

- Paper VI Coordination Chemistry
- Paper VII Reaction Mechanism and Stereochemistry
- Paper VIII Physical Chemistry
- Paper IX Group Theory and Spectroscopy
- Paper X Practical

### Semester III

- Paper XI Spectroscopy
- Paper XII Photochemistry and Solid State Chemistry
- Paper XIII Environmental Chemistry
- Paper XIV Chemistry of Life
- Paper XV Practical

### Semester IV

- Group B Organic chemistry
- Paper XVI B Organic Synthesis I
- Paper XVII B Organic Synthesis II
- Paper XVIII B Heterocyclic Chemistry
- Paper XIX B Natural Products
- Paper XX Practical

## M.Sc. Physics

Physics is the fundamental science which deals with Nature and natural phenomena, force and inertia, matter and energy. It explains almost every Aspect of the world from small particles like atoms to great clusters of galaxies. It is a two-year degree program which provides strong foundation to the students about Classical Mechanics, Statistical Mechanics, Electrodynamics, Quantum Mechanics, Electronics & Numerical Analysis Methods, Advanced Quantum Theory, Nuclear Physics, Solid State Physics and Statistical Analysis, Microwave Electronics and Plasma Physics which provides a comprehensive insight into the real world application of physics and leads towards research. The factual concepts and concrete analysis of the subject open doors for employability of students in all verticals of science and technology like Astrophysics, Geophysics, Biophysics, Atomic Science, Space Organizations, Forensic Science, Avionics, Electronics Design Developments, Programming and Mathematical Modelling.

### WHAT IS THE ELIGIBILITY CRITERIA?

A minimum of 50% marks under graduation are required for applying in M.Sc.

## CURRICULUM

### Semester I

Paper I	Classical Mechanics
Paper II	Classical Electrodynamics I
Paper III	Quantum Mechanics
Paper IV	Mathematical Methods in Physics

### Semester II

Paper V	Classical Electrodynamics II
Paper VI	Atomic and Molecular Physics
Paper VII	Electronics
Paper VIII	Medical Methods and Computer programming

Practical; Note : A combined practical examination shall be conducted at the end of semester II.

### Semester III

Paper IX	Nuclear Physics I
Paper X	Statistical and Solid state Physics
Paper XI	Advanced Quantum Mechanics I
Paper XII	Elective Paper

### Anyone out of the following special papers

Paper XII (a)	Microwave Electronics
Paper XII (b)	Solid State Electronics
Paper XII (c)	Plasma Physics -I
Paper XII (d)	Energy Studies -I

### Semester IV

Paper XIII	Nuclear Physics II
Paper XIV	Solid State Physics
Paper XV	Advanced Quantum Mechanics II

### Elective paper any one out of the following special papers

Paper XVI (a)	Microwave Electronics (only for students who opted paper XII (a) in third semester)
Paper XVI (b)	Solid State Electronics (only for students who opted paper XII (b) in third semester)
Paper XVI (c)	Plasma Physics II (only for students who opted paper XII (c) in third semester)
Paper XVI (d)	Energy Studies II (only for students who opted paper XII (d) in third semester)

Practical : Note: A combined practical examination shall be conducted at the end of semester IV.

## B.Sc. (Biology, Mathematics)

B.Sc. is a three years undergraduate course. We strive to instil students with enthusiasm, inquisitiveness and persistence in the field of science. Our teaching methodology has been designed to equip student with dexterous skill sets. Our esteemed faculty members concoct students holistically and help them to master the subjects. Our faculties train students to develop a deeper interest in the subjects, bask in academic research exposure and build a trajectory of utmost success in their careers. Regular educational tours, institutional visits and projects are an integral part of the teaching methodology adopted by the college to give a complete understanding of the subjects.

In the present scenario (Covid-19 outbreak) medical supplies and services, health care services, agriculture etc. are emerging as essential sectors, hence a B.Sc. graduates have endless career opportunities as analytical chemist, biomedical chemist, researcher in testing laboratories, pharmaceuticals and biotechnology industries related to manufacturing of sanitizers, PPE Kits, face masks etc.

## CURRICULUM

### B. Sc. Part I

Compulsory paper

1. General Hindi      2. General English      3. Philosophy of Gandhi

Optional papers

For BIOLOGY :      Botany, Zoology, Chemistry

For Mathematics :      Physics, Chemistry, Mathematics

### B.Sc. Part II & B.Sc. Part III

Optional papers

For BIOLOGY :      Botany, Zoology, Chemistry

For Mathematics :      Physics, Chemistry, Mathematics

## WHAT ARE THE LEARNING OUTCOME

To cater to the manpower needs of companies in Accounting, Taxation, Auditing, Financial analysis and Management.

To develop business analysts for companies, capital markets and commodity markets.

To prepare students to take up higher education to become business scientists, researchers consultants and teachers, with core competencies.

To develop human resources to act as a think tank for Business Development related issues.

To develop entrepreneurs and managerial skills in students so as to enable them to establish and manage their business establishments effectively.

To develop business philosophers with a focus on social responsibility and ecological sustainability.

To develop IT enabled global middle level managers for solving real life business problems and addressing business development issues with a passion for quality competency and holistic approach.

To develop ethical managers with an interdisciplinary approach.

To prepare students for professions in the field of Accountancy - Chartered Accountancy, Cost and Management Accountancy, Company Secretary, Professions in Capital and Commodity Markets, insurance sector and professions in Banks by passing the respective examinations of the respective professional bodies.

Also to develop the students for competitive examinations of UPSC, KPSC, BSRB, Staff Selection Commission, etc.

## CURRICULUM

### **B.Com. Part I Compulsory paper**

1. General Hindi

2. General English

3. Philosophy of Gandhi

Optional subject

1. Accounting & Finance

2. Business Management / Computer Application

3. Banking and Financial Management

### **Qualifying course for non-commerce students**

1. Business Studies & Banking

2. Financial Accounting

### **B.Com Part II & B.Com Part III**

1. Accounting & Finance

2. Business Management / Computer Application

3. Banking and Financial Management

## HYBRID CLASSROOMS

"The Destiny of a Nation is Shaped in its Classrooms." Spacious and properly ventilated and very well furnished classrooms of College are equipped with projectors and internet. Classrooms are designed to set an interactive and conducive learning environment for the class.

## LIBRARY

The College has a well-stocked library catering to the needs of students at the undergraduate and postgraduate levels. The library possesses collection of learning resource materials in the field of science, management, social science, language and humanities. The college library is rich in terms of quality and number of books. According to the demand of the departments the library committee recommends purchase of books and journals on regular basis.

## LABORATORIES

A laboratory is a facility that provides our students to perform experiments in controlled conditions to understand technological research, experiments, and measurement. It helps students to remember the concepts better and to transfer the experience to other learning situations. The College curriculum believes in 'Learning by doing'. To promote experiential learning of the students the College has the following well-equipped labs : Geography, LSD, Physics, Chemistry, Computer Science, Botany and Zoology.

## NATIONAL SERVICE SCHEME

### NSS MOTTO: "Not me but you"

The college has 2 units of NSS, with 200 volunteers. Popularly known as NSS the forum is an extension of higher education system to orient the student engagement towards community service under the aegis of ministry of Youth affairs and sports, Government of India. It promotes social awareness and creates a sense of responsibility and discipline among students.

Through regular activities and special camps it provides them with the unique opportunity for teamwork and constant interaction with the community.

Some of the major initiatives taken by NSS are: celebrating special days and events like literacy Day, International Yoga day, Human rights Day, NSS day, international women's Day, world AIDS Day, unity week etc.

Shaping the students personality by inculcating leadership planning and management skills in them at an early stage is the motto of NSS.

## NATIONAL CADET CORPS

### NCC MOTTO: "UNITY AND DISCIPLINE"

The College NCC Unit functions under 11Raj battalion, Ajmer. There are 50 NCC Cadets in the College.

In accordance with the aims of NCC of developing character, discipline, a secular outlook, comradeship, spirit of adventure and selfless service amongst the young citizens, College has always actively encouraged its students to become Cadets in the NCC. Our

students are inspired to venture beyond the ambits of their home and offer dedicated service to the Nation.

Rallies are organized on the days of national importance throughout the year. The NCC team of Shri Pragya College, stood strong in the face of the Pandemic and fulfilled its commitment of serving the society by making homemade masks and distributing to the poor and the needy, sanitizers and hand washes were also distributed while respecting the norms of social distancing.

Other activities include outreach programs, camps, seminars, blood donation camps, group discussions, debates and tree plantation activities.

## SPLENDID FRESHER'S PARTY

### "Start of something wonderful"

The purpose of the fresher party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college.

#### Orientation Programme

At college we understand humans need time to adjust and settle into College life. You may need time to understand your values, ethos and vision for future. Orientation at Pragya College occurs with the aim to make you a part of us.

## SCIENCE EXHIBITION

Science exhibition is an inseparable part of our extra-curricular activities. To give platform for student's innovative and creative ideas in various facades of science we regularly organize science exhibition in College. Here, every student brings their new and smart ideas inform of a working and non working models to showcase the public. This activity not only help student to have an in-depth knowledge about the subject but also improves their presentation and communication skills.

## ANNUAL FUNCTION

One of the most anxiously awaited occasions every year in our college is "Annual Day". Great excitement and joyful activities are visible on this day where the colors of cultural feast unfold! The Felicitation with Certificates and Scholarships to our academic toppers, sports champions and winners in many other competitions is done by chief guest and dignitaries of the day.

## TOURS AND EXCURSIONS

We at Pragma College acknowledge the fact that there has been a paradigm shift in the teaching methods. Apart from the classroom study, exposure to the real world also keeps its due importance in student's life. Hence, we organize Educational Tours, Industrial Visits and Picnics for our students. An educational tour/field trip helps students to experience first-hand the concepts which help in long term retention of the knowledge. With an aim to go beyond academics, industrial visits provide students a

practical perspective on the world of work. It provides students with an opportunity to learn practically through interaction, working methods and practices. Along with that, picnics help students to reduce stress and make strong and healthy bond with their batch-mates. During these outings our faculties encourage students to gain new perspective on the world.

## GAMES AND SPORTS

We have an outstanding department of sports which have left their mark in sports ranging from athletics to weightlifting. The college attempts to live by its motto "Fitness-Away of life" and promotes an interest in sports and physical fitness among students. Through the decades, the department has nurtured the students to show potential in various sports and has assisted and motivated them to realize their full strength. Our impressive list of winners stands testimony to our accomplishments. Every year, our students

achieve distinctions and win medals at International, National, State and University level. To develop team-spirit and sportsmanship the following games are available for student at the institution:-

1. Basketball
2. Volleyball
3. Cricket
4. Table tennis
5. Badminton
6. Boxing
7. Athletics
8. Archery
9. Hand-ball
10. Weight-lifting
