## Report on

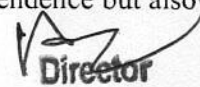

### Har Ghar Tiranga Campaign

On August 15, 2021, Shri Pragma Mahavidyalaya organized the 'Har Ghar Tiranga' campaign to commemorate India's 75th Independence Day. The initiative aimed to inspire patriotism among students and staff by encouraging the hoisting of the national flag at their homes and within the institution. The campaign commenced with a flag hoisting ceremony at the college, where students, faculty, and staff gathered to sing the national anthem and participate in the event. Patriotic speeches by the principal and faculty members highlighted the significance of Independence Day and the campaign. Cultural programs, including patriotic songs, dances, and skits, depicted India's struggle for independence and further bolstered the spirit of the day.

To ensure widespread participation, the college distributed national flags to all students and staff, urging them to hoist the flags at their homes. A door-to-door awareness campaign was launched, wherein students and faculty visited local neighborhoods to explain the importance of the 'Har Ghar Tiranga' campaign, distribute flags, and encourage residents to join. A social media campaign encouraged students and staff to share pictures of their homes with the national flag hoisted, with the best entries being featured on the college's official social media pages. Additionally, a flag march through the local community further promoted the campaign, with students and faculty parading with the national flag and encouraging residents to participate. For future campaigns, the report suggests extending the flag distribution drive in collaboration with local authorities to ensure every household has a national flag to hoist. Community workshops and seminars involving historians and experts could further educate the community about the national flag's history and significance..

#### Outcome

The 'Har Ghar Tiranga' campaign at Shri Pragma Mahavidyalaya was a tremendous success, fostering patriotism among students and staff. The activities not only celebrated India's independence but also

## Report on

### Neki Ki Dukan

Shri Pragya Mahavidyalaya organized a social service campaign titled "Neki ki Dukan" on 20<sup>th</sup> September, 2021 highlighting the significant educational disparities between urban and rural areas. It underscored the critical role that access to study materials plays in bridging this gap and enhancing the learning experiences of rural students. The lack of stationery aid and learning materials is the chief cause for this amongst diverse other factors. Restricted access to universal quality education is a major challenge for development when it comes to remote areas in India. Lack of awareness amongst the communities and poverty are the major factors resulting in the non-attendance of schools by children in these areas.

Localities from Bijainagar submitted their left-over stuffs that can be used by others like toys, stationery items, clothes, bottles, footwear. Some new stationery items were also bought by college. The material received was distributed in various schools. 600 copies, 120 pencil packets, 100 pen packets, 70 bottles, 70 lunch boxes, utensils and clothes and other collected material were distributed in schools like Government Primary School Keriya, Satavadiya, Government Upper Primary School, Daulatpura, Government Girls Upper Primary School, Tokarwad, Government Primary School, Bheelon Ki Badiya and Adarsh Vidya Mandir Secondary School, Bijaynagar etc. Apart from this, material was given secretly to seven needy families. In this distribution program, the members of Nanak Shrivak Samiti, Prakash Bai Ji Pokharna and the executive of Balika Parishad and girls were present.

The event concluded with an interactive discussion where participants, including students and faculty, shared their experiences and suggestions for enhancing educational support in rural areas. In his closing remarks, the principal expressed gratitude to the speakers, participants and organizers for their dedication to this cause. He reiterated the college's commitment to fostering educational equity and

encouraged everyone to actively participate in initiatives that support rural education, ensuring that every child has the opportunity to learn and succeed.

## Outcome

The "Neki Ki Dukan" initiative in Bijainagar successfully collected a substantial quantity of leftover items, including clothes, shoes, toys, books, household goods, and non-perishable food from local residents. These items were meticulously sorted to ensure they were in good condition and suitable for use, with any unsuitable items either repaired or responsibly recycled. The collected goods were then distributed to needy individuals in nearby villages, identified through collaboration with local community leaders. The recipients expressed profound gratitude, as these items provided immediate relief and significantly improved their quality of life, particularly for children needing school supplies and families requiring basic household necessities. The initiative also saw enthusiastic participation from a diverse group of volunteers, which included students, homemakers, and professionals, who were integral to the collection, sorting, and distribution processes. This activity not only provided material support to those in need but also strengthened community bonds and fostered a spirit of empathy and solidarity among the residents of Bijainagar, students and faculty of college.

## Report on Blood Donation Camp

Blood Donation is a gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. Shri Pragya Mahavidyalaya, organized a Blood Donation Camp on 2<sup>nd</sup> October, 2021 by our NCC unit in collaboration with Shri Pragya Jain Yuva Mandal, through which more than 120 units of blood was donated by students and the staff members of Shri Pragya Mahavidyalaya, members of Pragya Jain Yuva Mandal and Bijainagar Localites. The NCC unit of Shri Pragya Mahavidyalaya, in collaboration with Shri Pragya Jain Yuva Mandal, organized a successful blood donation camp at Pragya Bhawan, Sathana Bazar, Bijainagar, starting at 10:30 AM. The event was meticulously managed by NCC students and faculty members of the college, ensuring a smooth operation throughout the day. A dedicated team from PKV Hospital, Bijainagar, was present to conduct pre-donation tests and examine donors before they gave blood. Following the donation, refreshment was provided to all participants to ensure their well-being. Our honorable Chairman Mrs. Anita Mewara also donated blood. The senior members of the Shri Pragya Jain Yuva Mandal, including Mr. Surendra Singhvi, Mr. Ankush Nahar, Mr. Amit Abbani, and Mr. Pritam Barola, were actively involved and offered their support during the camp. Each donor received a certificate of appreciation for their valuable contribution. The event not only underscored the spirit of community service but also highlighted the effective coordination between various stakeholders, making the blood donation camp a notable success. While addressing to people, our NCC volunteers brought awareness in people about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons.

## Outcome

The blood donation camp proved to be highly successful, reflecting a strong community spirit and collaboration. It saw a significant turnout of donors, all of whom were efficiently managed and attended to, thanks to the combined efforts of the NCC students, faculty, and the Shri Pragya Jain Yuva Mandal. The involvement of PKV Hospital ensured that the donation process was handled with professional care, and the distribution of certificates to donors further acknowledged their altruistic efforts. The event contributed positively to local healthcare resources and fostered a sense of social responsibility among participants, making it a commendable achievement for all involved.

## Report on

### Road Safety Measure & Blood Donation

Shri Pragma Mahavidyalaya organized a Road Safety Measure Session & Blood Donation Camp on 24<sup>th</sup> December 2021, to emphasize the critical importance of road safety and to raise awareness about safe driving practices among students and faculty.

A series of lectures was organized on the subject of blood donation and road safety in Shri Pragma Mahavidyalaya on Thursday. On this occasion, Dr. Naushad, a doctor of Pragya Kundan Vallabh Hospital, expressed his views to the students on the importance of blood donation and the misconceptions related to it. Secretary of Pragya Jain Yuva Mandal, Mr. Arihant Lodha, appealed to the students to donate blood in large numbers in the blood donation camp to be organized in Pragya Bhawan on December 24. On the other hand, Transport Inspector Mahesh Kumar Pareek gave detailed information to the students on traffic rules and the usefulness of helmets. Pareek also called upon the students to participate in the awareness campaign on the damage caused by road accidents and the measures to prevent them. Principal welcomed the guests. Dr. Prakash Mall expressed gratitude. SR Singh, Rupali Sharma, Abhishek Pareek, Bachchraj Jat, Shrestha Sukhwal and many faculty members were present in the program.

The event concluded with an interactive session where students and faculty shared their experiences and suggestions for improving road safety in their community. In his closing remarks, the principal expressed gratitude to the speakers, participants, and organizers for their contributions to the seminar's success. He reiterated the college's commitment to fostering a culture of safety and responsibility, encouraging everyone to be vigilant and proactive in following road safety measures to ensure their own safety and that of others.

## Report on

### Mega Cyclothon

The Directorate General National Cadet Cops under the Ministry of Defense is celebrating the 74th Anniversary of NCC by conducting a Mega Cyclothon from Kanyakumari to Kashmir. The 15-member team reached Goa on Thursday, starting their journey from the southernmost part of India. Shri Pragma Mahavidyalaya welcomed the Mega Cyclothon Rally on 15<sup>th</sup> January 2022. This rally was titled "Mahila Shakti ka Abhedya Safar", which aims to exhort the female youth to carry forward the country's narrative of progress. The rally began from Kanyakumari and is scheduled to cover 3232 kms in 32 cycling days to reach Kashmir. The epic cyclothon is part of the NCC's 'Platinum Jubilee Celebrations,' a fitting tribute to the organization's seven and a half decades of service to the nation.

On the morning of 15th January, a feisty - warm welcome was presented to Brig. Charag & the Girls Cyclothon Team, when the Cyclothon team and officers entered Vijayanagar, ANO Lt. Gopal lal Dheru and NCC Cadets of Shri Pragma Mahavidyalaya warmly welcomed everyone, encouraging them and wishing them all the best for the upcoming journey. College team reached National Highway and felicitated them.

#### Outcome

The mission behind the mega cyclothon is to propagate the message of women empowerment, encapsulated in the expedition's motto, "Hum Kisi Se Kum Nahin. Felicitation by college boosted their morale and encouraged them.

## Report on Science Exhibition

The purpose of science exhibition is to instill scientific attitude in the young generation to make them realize the interdependence of science, technology and society. It provides a platform for the students where they can learn from each other's experiences and get motivated to design and develop something new and innovative. The main purpose of the science fairs is to encourage the students to take a more active interest in the study of science and conduct and present their independent scientific inquiries and innovations publicly. Shri Pragya Mahavidyalaya organized a Science Exhibition on 27<sup>th</sup> February 2022. The event started with inauguration by the Director, Pragya Group of Institutions, Dr. Naval Jain at 11 AM. In this exhibition, the participating teams from Shri Pragya Public School shared their creative ideas and solution to everyday challenges through their innovative working / non-working models, exhibits, projects and presentations supported by reports, display and research findings. The parent fraternity was also invited and they attended the exhibition with great enthusiasm. Several projects that revolutionized mankind were prepared and displayed by the students like Aquaponics, Integrated Fish Farming, Bioplastics etc., The First , Second and Third year Zoology students displayed and explained the detail about the exhibits and Posters prepared by them to students, faculty and parents who have come to visit the Science Exhibition. Around 200 students and faculty of the college have visited the Exhibition and learnt about the uses and applications of various projects. The students displayed their creative scientific potential in diverse arenas revolving around the themes of contemporary significance, namely, Agriculture and food security, Sources of energy and their conservation, Transport and communication, Disaster Management, Health, Robotics and engineering sciences. Students were at their innovative best as they designed their own automobile, hover craft, motorboats, metal detectors, echo rangers, rural air conditioners, earthquake impact detectors to unique designs for tapping alternative sources of energy and new ways to conserve the conventional ones. The event in itself ignited the scientific curiosity in children and gave them a platform to give concrete dimensions to their ideas, from the zone of imagination to realism. The exhibition didn't not only

provide the opportunity to children to execute their scientific ideas but also gave them the platform to demonstrate their ideas to a large group of science teachers and fellow students. Based on the feedback and suggestive ideas of the science teachers, the children gained a wider and a newer perspective on further development of their model or project. The judges, Mr. Suresh Singh and Mrs. Neelam Jain gave the students unique experience of demonstrating and explaining their ideas to a wide variety of audience which further enhanced their confidence, communication and interpersonal skills, overall, a boost to their personality. Kavya Jain and Group from SPPS secured first position while Aarav Sharma and Group from SPPS stood second and Pushpat Singh and Group from SPM stood Third. All the participants were presented consolation prizes.

## Outcome

The science exhibition showcased a diverse array of innovative projects and research, with outcomes highlighting significant advancements and practical applications. Attendees were impressed by breakthroughs in sustainable energy solutions, such as improved solar panel efficiency and novel biofuels. Cutting-edge robotics and artificial intelligence demonstrations captivated audiences, revealing their potential to revolutionize industries from healthcare to manufacturing. Student projects offered insightful explorations into environmental conservation and biotechnology, showcasing the next generation of scientific talent. Overall, the exhibition fostered a dynamic exchange of ideas, encouraging collaboration and inspiring future innovations in science and technology.

## Report on Vaccination Day

Vaccination Day can be an important moment! It's a day to protect oneself and others from various diseases through immunization. Whether it's for children starting their scheduled vaccinations, adults keeping up with their boosters, or travelers getting necessary vaccines before trips, it serves as a preventative measure to maintain public health.

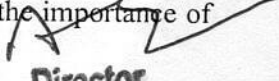

On March 16, 2022, Shri Pragya Mahavidyalaya celebrated Vaccination Day with great enthusiasm and purpose. The highlight of the celebration was a poster-making competition organized for the students of Shri Pragya Mahavidyalaya (SPM) and Shri Pragya Public School (SPPS), Bijainagar. The event began at 11 AM, with a significant turnout from both institutions, reflecting the students' keen interest in public health and vaccination awareness.

The competition was judged by Mr. Surendra Jain and Mrs. Anita Jain, who carefully evaluated each poster based on creativity, message clarity, and overall impact. The students' posters vividly depicted the importance of vaccination, its role in preventing diseases, and the benefits of immunization for community health. The competition saw an enthusiastic display of talent and knowledge, with students utilizing various artistic techniques to convey their messages.

Akshita Jain and Lakshit Jain from SPPS impressed the judges with their outstanding posters, securing the first and second positions, respectively. Prashant Singh from SPM earned the third position with his insightful and creative poster. The event concluded with a prize distribution ceremony, where participants and winners were awarded certificates and prizes, acknowledging their hard work and creativity.

### Outcome

In summary, the Vaccination Day celebration at Shri Pragya Mahavidyalaya was a resounding success. It not only heightened awareness about the critical role of vaccination but also engaged students in a meaningful and creative activity. The event's outcomes underscored the importance of

## Report on

### Disaster Management by NDRF

On March 21, 2022, Shri Pragma Mahavidyalaya hosted an impactful educational session conducted by the National Disaster Response Force (NDRF) for students of Shri Pragma Public School, Bijainagar. The session aimed to equip students with essential disaster prevention knowledge. Esteemed guests, including Dr. Naval Singh Jain, Director of Pragma Group of Institutions, and Mrs. Nidhi Mathur, Principal of Shri Pragma Public School, attended alongside dedicated college and school faculties and student volunteers who carefully managed the session's logistics.

The NDRF team provided detailed demonstrations on handling various types of disasters, such as earthquakes, floods, and fires. They shared practical safety tips, the importance of emergency kits, and strategies for remaining calm during crises. Through interactive activities, the team ensured the session was both educational and engaging. Students learned to identify potential hazards, create emergency plans, and perform basic first aid. Following the informative demonstrations, a felicitation ceremony honored the NDRF team for their invaluable contribution. Dr. Naval Singh Jain and Mrs. Nidhi Mathur presented tokens of appreciation, expressing gratitude for the team's dedication to educating and preparing the younger generation for potential disasters.

#### Outcomes

The session yielded overwhelmingly positive outcomes. Students gained enhanced knowledge and skills, becoming better prepared to respond effectively in emergencies. The interactive format ensured that the information was well-understood and memorable. Additionally, the event fostered a sense of community and shared responsibility among students, faculty, and volunteers. The successful organization and execution of the session highlighted the collaborative efforts of Shri Pragma Mahavidyalaya and Shri Pragma Public School, underscoring their commitment to student safety, welfare, and education.

## Report on

### Art and Craft Exhibition

On April 12, 2022, Shri Pragya Mahavidyalaya hosted a vibrant Art and Craft Exhibition, held in the indoor stadium of the college starting at 10:30 AM. This event provided an exceptional platform for students from various nearby schools to exhibit their creative talents. The exhibition was met with enthusiasm as students from these schools, along with participants and volunteers from Shri Pragya Mahavidyalaya, engaged actively. The volunteers played a crucial role in the smooth running of the event, ensuring that everything proceeded efficiently.

The judging panel for the event comprised Mrs. Sangeeta Garg, a well-known art critic and educator, and Mr. Jitendra Pipara, an accomplished artist. Their expertise was instrumental in evaluating the diverse range of art and craft entries on display. After careful consideration, the judges awarded St. Paul's Sr. Sec. School, Bijainagar the first position for their outstanding exhibit. Vivekananda Kendra Vidyalaya, Hurda secured the second position, while Noble International School, Gulabpura, achieved third place.

The event culminated in a prize-giving ceremony, where winners were celebrated for their artistic achievements. The judges were also honored for their valuable contributions to the event's success. The day ended with a sincere note of thanks to all participants, volunteers, and attendees, making the exhibition a memorable and inspiring experience for everyone involved.

### Outcome

The Art and Craft Exhibition organized by Shri Pragya Mahavidyalaya on April 12, 2022, was a resounding success, demonstrating the remarkable creative talents of students from the surrounding schools. The enthusiastic participation of students from St. Paul's Sr. Sec. School, Bijainagar, Vivekananda Kendra Vidyalaya, Hurda, and Noble International School, Gulabpura, highlighted the high caliber of artistic expression in the region. St. Paul's Sr. Sec. School emerged as the top performer, securing first place, while Vivekananda Kendra Vidyalaya and Noble International School earned

## Report on Career Counselling

Shri Pragya Mahavidyalaya organized a Career Counselling Seminar on 25<sup>th</sup> May 2022. The program was carried out for effective 2 hour duration. The resource person for the session was Mr. P.M. Bhardwaj, Founder of Bhardwaj Foundation, Mr. Pradeep Lathi, Co-founder, L2C NPA, Bhilwara and MR. Deepak Pareek, Co-founder, Space Society. They gave an elaborative introduction about the various opportunities and scope in the field of Science, Arts, Computer, Business Administration, Digital Marketing and various field. He suggested varied ways and ideas on how to opt the career in abroad.

In this program, other schools joined us and benefits a lot. He further highlighted that Career guidance plays a very important role in the lives of all individuals, as it helps in setting future goals and chooses careers. Career guidance is much needed service to those who did not plan for their future at an early stage; more should be done to assist the younger generations in personal career development. Famous motivational and management guru and founder president of Bhardwaj Foundation PM Bhardwaj said that there is no dearth of opportunities in career. All that is needed is to take advice from experienced people and choose the best career. He said that there is a need to choose the best career. Choose your goal with concentration and work continuously to achieve the goal. If you take the right decision and decide, then no one can stop success from touching your feet. Bhardwaj, who has been MD and CMD of 4 public sector organizations of the Government of India, said that there are many career opportunities available at present. Children should get information about career options available from experienced people and choose the career of their choice. Students should have full faith in themselves. He administered the oath to pay special attention to practical oriented value and skill based and latest technology. Bhardwaj Foundation member Saurabh Jain also gave detailed information about career counselling in the program. Nizam Dargah Committee Dr. Adil and Principal of Khwaja Model School Ajmer Dr. Rajiv Arora were the Chief Guests in the program. Pradeep Lathi, the main speaker from Bhilwara associated with commerce

education, said that dreams are not fulfilled in a day but continuous efforts are necessary to make dreams come true. Mr. Deepak Pareek, Co- Founder, Space Society and a renowned Motivational Speaker and Career Counsellor opened minds of students to various career aspects. All the guests and motivation counsellors and Secretary of Pragya Group of Institutions, Mr. Surendra Pipada and Director of Pragya Group of Institutions, Dr. Naval Singh Jain and Principal, Dr. Durga Mewara welcomed and honoured all the guests and urged them to make their careers better on the basis of guidance received in counselling.

At the end of the session the students cleared their doubts by asking various questions regarding the confusions they usually face while deciding their career. The program ended with a powerful exercise by P.M. Bhardwaj. All the students were highly motivated and enlightened about various opportunities after completing their Course. It was a very informative day for the students and faculty members who attended the session.

## Outcome

The career counseling seminar was a highly impactful event that provided valuable insights and guidance to participants navigating their career paths. The seminar featured a range of expert speakers who offered detailed advice on various career options, industry trends, and effective job search strategies. Attendees gained practical knowledge on resume building, interview preparation, and networking skills. The interactive sessions allowed participants to engage directly with professionals, ask questions, and receive personalized feedback. Many left the seminar feeling more confident and informed about their career choices and next steps. Additionally, the event fostered valuable connections between students and industry experts, opening doors for future mentorship and opportunities. Overall, the seminar successfully equipped attendees with the tools and information needed to make informed career decisions and set actionable goals for their professional development.
