Dear Mrs. Agarwal,

As per your request letter dated 03.11.2020 I am pleased to inform you that Brothers Fine Garments has sanctioned a grant of ₹89,000/- for your research project titled "Exploring Herbal Alternatives to Caffeinated Beverages: The Potential of Blue Tea and Other Herbal Teas."

This research holds significant promise in advancing our understanding of herbal alternatives to conventional caffeinated drinks, and I am confident that your expertise will lead to valuable findings.

Please ensure that the funds are utilized effectively and in accordance with the project's objectives within one year. We look forward to the successful completion of your research and the insights it will contribute to this emerging field.

Subject: Sanction of Research Grant I for "Investigating the Quantum Entanglement of Spin-Orbit Coupled Photons in Photonic Topological Insulators"

As per telephonic talk with Director Dr. Naval Singh Jain and his request we are pleased to inform you that we have approved a research grant of INR 1.11 lakhs for your project, "Investigating the Quantum Entanglement of Spin-Orbit Coupled Photons in Photonic Topological Insulators." This project aligns with our interest in supporting innovative research in the field of physics.

We believe your research will contribute significantly to the advancement of quantum optics and topological photonics. Your findings could have potential applications in quantum communication, quantum computing, and other emerging technologies.

Please ensure that the funds are utilized effectively and in accordance with the research objectives. We look forward to receiving regular updates on the progress of your study. Please utilizes the fund with period of one year and send U.C. with research findings and Report.
