Report on "Blood Donation Camp"

The **Blood Donation Camp** organized by Shri Pragya Mahavidyalaya in collaboration with Pragya Jain Yuva Mandal was held on 1st October 2022, with the noble objective of promoting voluntary blood donation among students and faculty members, as well as contributing to the local community's health care needs. The camp began with the registration of donors, followed by a thorough medical screening to ensure the eligibility of participants for blood donation. Qualified donors proceeded to donate blood under the supervision of trained medical professionals and volunteers from college and Pragya Jain Yuva Mandal. Post-donation, donors were provided with refreshments and a rest area to recover. Informational sessions were conducted to educate participants about the importance of blood donation, its impact on saving lives, and the guidelines for maintaining a healthy lifestyle.

The event witnessed enthusiastic participation from students, faculty, and staff of Shri Pragya Mahavidyalaya, along with members of Pragya Jain Yuva Mandal. The collective efforts resulted in a substantial number of blood units collected, which will benefit patients in need of transfusions across local hospitals and medical facilities.

Outcome of the Event:

The Blood Donation Camp proved to be a successful collaboration between Shri Pragya Mahavidyalaya and Pragya Jain Yuva Mandal, emphasizing our commitment to community service and health care initiatives. It not only promoted the spirit of altruism among participants but also strengthened the bond between the college and the local community.
