Suggestions\ Recommendations of audit team members:-

1. The institute needs to establish a continuous academic support system to improve students' academic outcomes.
2. The institute should create innovative and job-oriented add-on courses and certificate courses to be added in the forthcoming academic year.
3. The institute should equip classrooms with TVs and ensure teachers use various ICT tools for classes.
4. The institute should conduct skill training programs in small groups for better results.

Action Taken:-

1. The institute has successfully established a continuous academic support system aimed at improving student outcomes. This includes the introduction of regular tutoring sessions, academic workshops, and peer support groups. Faculty members provide ongoing academic counseling, ensuring that students receive the guidance needed to excel in their studies.

2. The institute has developed and introduced a range of innovative and job-oriented add-on and certificate courses for the forthcoming academic year. Enrollment for these courses has already begun, with significant interest from students.

3. All classrooms have been equipped with televisions and other necessary ICT tools to enhance the learning experience. Teachers have been trained to effectively incorporate these tools into their teaching methods, using multimedia presentations, digital resources, and interactive learning platforms.

Suggestions\ Recommendations of audit team members:-

1. Faculty members may be motivated to publish more research papers in Indexed.

2. Students can be motivated to participate in Project and coding competitions.

3. More workshops can be organized for students to motivate them to become entrepreneurs.

4. Career guidance maybe improved.

Action Taken:-

1. The institute has initiated a series of incentives and support programs to encourage faculty members to publish research papers in indexed journals.

2. The institute has launched various initiatives to motivate students to engage in project and coding competitions

A series of entrepreneurship workshops have been organized, featuring successful entrepreneurs and industry leaders as speakers. These workshops cover topics such as startup development, funding strategies, and business planning

4. The career guidance department has been strengthened by introducing tailored career counseling sessions, industry-specific seminars, and partnerships with companies for internships and placements. These efforts have resulted in more comprehensive career support for students, with increased satisfaction and better job placement outcomes.

Suggestions\ Recommendations of audit team members:-

1. The institute should increase the number of students in the UG courses, BBA and BCA.
2. The institute should have all faculties develop add-on courses and value-added courses.
3. Considering the COVID-19 situation, all classrooms should be converted into e-classrooms.
4. More students are to be trained for core companies and Competitive exams.
5. Students may be motivated to prepare for higher studies.
6. Career guidance maybe improved.

Action Taken:-

1. The institute has launched targeted recruitment campaigns and promotional activities to boost enrollment in the BBA and BCA courses. Enhanced marketing strategies and outreach programs have resulted in a noticeable increase in student numbers.
2. All faculty members have been engaged in developing new add-on and value-added courses. These courses focus on enhancing practical skills and industry readiness, and have been integrated into the curriculum to provide additional learning opportunities for students.
3. In response to the COVID-19 situation, the institute has upgraded all classrooms to e-classrooms. This includes equipping them with necessary technology and resources to facilitate online and hybrid learning models.
4. The institute has increased the number of training programs and workshops aimed at preparing students for core companies and competitive exams. These programs include mock tests, interview preparation sessions, and specialized training modules.
5. Career guidance services have been enhanced with the introduction of personalized counseling, career planning workshops, and partnerships with industry experts. These improvements aim to provide students with better insights and support for their career development.

Suggestions\ Recommendations of audit team members:-

1. The institute should increase the number of students.
2. Institutes introduce more capability development and skill enhancement courses.
3. The institute should fill all the seats in the M.Com course.
4. The institute should issue a notice so that more games can be added to physical activities.
5. To appoint a physical instructor for promoting sports activities including NCC.

Action Taken:-

1. The institute conducted a targeted admission drive specifically for the M.Com course. This included special scholarships and fee waivers for meritorious students. All available seats in the M.Com course have been successfully filled.
2. The institute has launched an extensive outreach program targeting prospective students. This includes participation in educational fairs, online webinars, and collaborations with local schools. As a result, there has been a noticeable increase in the number of student enrollments for the upcoming academic year.
3. New courses focusing on skill enhancement and capability development have been added to the curriculum. These courses include digital literacy, entrepreneurship, and advanced communication skills. Faculty members have been trained to deliver these courses effectively.
4. A notice has been issued to all departments, inviting suggestions for new games to be included in the physical activity curriculum. Based on the responses, several new games such as badminton, volleyball, and table tennis have been added to the schedule.
5. A qualified physical instructor has been appointed to oversee sports activities and the National Cadet Corps (NCC) program. The instructor is responsible for organizing regular sports events and ensuring active participation in NCC activities.
